

## **CONFIDENTIALITY OF LIBRARY RECORDS**

Marion Public Library circulation records and any other records which identify and relate the name of library users with specific materials are confidential. Such records will not be released or used for non-library purposes except pursuant to a subpoena from a court of law or other valid process, which specifically identifies the information required, and the purposes for the request.

General public access to such circulation statistics invades the privacy of the individual patron and would tend to discourage the freedom of inquiry into sensitive or unpopular subject matter.
