

Issuance of Library Card to Youth Applicants

For those applicants that are eligible for a juvenile library card, under the age of 18, the following policy shall apply:

Children may obtain a library card at any age, at the discretion of the parent or legal guardian.

The parents or guardians of the youth applicant under the age of 14 shall be required to sign the youth's library card registration.

The parents/guardian will be informed that it is not the responsibility of library staff to monitor and limit the selections made by the youth card holder. Material selection is the responsibility of the card holder and the cardholder's parents/guardians.

A list of hours and services shall also be provided.
